

WHITE PAPER

Umbrella Power
Innovation

www.upitoken.in

Overview

UPI Token is a COMMUNITY WISE and secure green Token built for the future of our planet.

Our mission is to create wealth, for all UPI Holders, by harnessing the opportunities of a secure, COMMUNITY WISE digital currency in an environmentally conscious way.

UPI will create a healthier, wealthier future for all by compensating nature for years of abuse. And UPI is a Social working crypto token whose main focus is saving water pure water and green energy channel.

What is the purpose of Umbrella Power Innovation (UPI)?

UPI has been made for those who want to bring a big change in this life, their life, and society.

Want to help those people who want to work hard for themselves. Whom no one helps.

UPI's motto is that

- 1- UPI is a social working (potable water and green engineering) sector to help people.
- 2- UPI is a crypto project UPI is a great project in the crypto market.
- 3- UPI is a 100% transparent system.
- 4- Any UPI investor can sell only a maximum of 10 lakhs UPI tokens from his wallet in 24 hours.
- 5- 100% supply of UPI tokens will be circulated in the next 5 years. Every year 20% of the supply of UPI tokens will be circulated in the market. Of which 50% will be burning and 50% will be circulated.

UMBRELLA POWER INNOVATION
(UPI) is a wonderful 5-year
project that will take you towards
financial freedom in your life

Goals

Umbrella Power is the prime objective of innovation. UPI to end the disease called poverty from the lives of its 100 co-founders and 10 directors club members. Providing every CO-Founder Club member with financial freedom by the next 2028 with a perpetual income stream. We are providing financial security to the family members of each CO-Founder Club.

Helping to end the problems of the common man's life, like potable water and power supply. People who have participated or will participate with Umbrella Power Innovation will try their best to give a healthy and wealthy lifestyle to the entire team.

Specifications

- 1- UPI is a social working (potable water and green engineering) sector to help people.
- 2- UPI is a crypto project UPI is a great project in the crypto market.
- 3- UPI is a 100% transparent system.
- 4- Any UPI investor can sell only a maximum of 10 lakh UPI tokens from his wallet in 24 hours.
